Off Market Sale - Sold at First Sight

A match made in heaven! As an established local agent we have an active list of qualified cash buyers, as well as soon to be sellers. In this case we met a very keen buyer already based in Palmwoods and hoping to stay local; we also knew of a property which we felt was just right for him, which was coming to the market in the coming weeks, once a few little finishing touches were attended to. Our seller, had the building and pest report, pool certificate and updated smoke alarms already sorted, ready to press go as soon as photos and signs were arranged.

We introduced the two and it was sold at first sight for our seller and buyer. Not only did we save our seller about \$19,000 in commission and marketing, top that off with achieving the full price our seller had hoped for. That is a definite Win - Win!
