at one end of the house and bedrooms 3 and 4 at the other end next to the huge rumpus. The rumpus is equally suited to being a very separate home business base or even convert to an under roof granny flat, or a home schooling room. There's plenty of space for a self contained secondary residence for the extended family.

School buses are just at the end of the street, and there's plenty to do in the area outside of school and working hours. For the horse lovers, you can have your best buddy in a wonderful safe paddock with permanent water and good feed, the annexe on the side of the shed is currently serving as a good size covered shelter. You can easily access the trails through the Mapleton State Forest from the estate or join in at local equestrian clubs. Enjoy the visits of colourful birdlife attracted to the well established gardens and permanent water. If fresh eggs and home grown fruit and veggies are on your radar this location will work beautifully.

It's just 5km to Mapleton with its kindy and primary school, bowls club, tavern and medical centre and IGA and the gateway to the stunning Hinterland towns of Montville and Maleny. Major medical facilities and secondary colleges are nearby in Nambour along with larger shopping facilities, train and bus interchange, cinemas etc.

This kids have grown and gone their own way and it's time for the next chapter for our owners, will this be your family happy place?
