This block is a fabulous space for kids to run free, play with the dogs, tumble down grassy hills, build bike jumps and tree houses, camp outs, bonfires and the kind of mischief that makes for happy memories. The block is not suitable for subdivision so you will have the confidence of knowing you'll never be built out and your views are safe. It's a great site for some permaculture style veggie gardens, fruit trees and chickens.

Literally minutes from shopping centres, medical facilities, bus and train, cinemas and schools it would be difficult to find a property of this size so close to all the modern conveniences. After 19 years of loving this property as the kids grew up, the owners are moving into the next phase of their lives and it's time for another family to make happy memories.
